AMENDMENT

Applicants are in receipt of the Office Action dated May 30, 2002 of the above-referenced application. Please amend the application as follows:

IN THE SPECIFICATION

Please amend the paragraph on page 1, lines 14-17 as follows:

*a*  
TBGA (Tape Ball Grid Array) is an improved type of BGA technology which is characterized by the use of a tape as the base for the mounting of a semiconductor chip and the attachment of solder balls thereon. The TBGA technology allows the overall package body to be made more compact in size.
